The organizers of the

32nd Swiss Olympiad in Informatics 2023

confirm that

Yann Gaspoz

has participated at the

32nd Swiss Olympiad in Informatics 2023.

The Swiss Olympiad in Informatics (SOI) is a competition for secondary school students to demonstrate their skills in programming and algorithmic problem solving. The SOI is one of the ten scientific olympiads in Switzerland.

Zurich, January 14, 2023
