The organizers of the

31st Swiss Olympiad in Informatics 2022

confirm that

Yann Gaspoz

has participated at the

31st Swiss Olympiad in Informatics 2022.

The Swiss Olympiad in Informatics (SOI) is a competition for secondary school students to demonstrate their skills in programming and algorithmic problem solving. The SOI is one of the ten scientific olympiads in Switzerland.

Zurich, January 8, 2022

Johannes Kapfhammer
President SOI

Christopher Burckhardt
Vice President SOI

Jan Schär
Vice President SOI
